

# KMS Junior Teen Institute

## What is JTI?

**JTI** is a drug-free leadership program. Through involvement in **JTI**, students develop the skills to become positive leaders. Students are equipped with the knowledge and abilities to not only make positive choices for themselves, but also to encourage their peers to make healthy decisions.

## What is expected of JTI members?

- To commit to being drug-free ☺
- Continue to be a positive role model
- Attend meetings
- Participate in Red Ribbon Week
- Help with the Winter Sale and/or Market Day
- 

## When will meetings be held?

Meetings will be held two times per month. One meeting will typically be the second Thursday of each month at 7:45 a.m. The other meeting will be held after school. Meetings held after-school are lead by high school Teen Institute members from Jerome and Coffman High Schools. We have a lot of fun at these meetings! If you cannot attend a meeting, it is OK. We just encourage members to attend when they can!

**Please complete the online registration form and print and return the Co-Curricular Activity Code at your first meeting.**

## Dublin City Schools Co-Curricular Activity Code

2017-18

### PHILOSOPHY

The Co-Curricular Activity Code sets expectations for our middle school and high school students as they embark on the exploration of different clubs, organizations and athletic endeavors. These expectations are designed to assist students and parents in meeting the challenging decisions they will face during the next several years. Coupled with these expectations are consequences for those students who do not make appropriate decisions.

### EXPECTATIONS

- Participants in Co-Curricular programs are held to a higher standard of responsibility and conduct. They are representatives of their school, the Dublin City School District, and the Dublin community.
- To optimize their experience, we have the expectation for a year-round commitment to remain alcohol, tobacco, and drug free to allow students to achieve their maximum performance mentally, physically, and academically.
- Using alcohol, tobacco, or other drugs (non prescribed dangerous drugs as defined by ORC 4729.01), by any middle school or high school co-curricular participant is prohibited and can have a potential negative effect on the student's health and safety.

**CONSEQUENCES** – Violations of the three sections (Citizenship, Use, Selling) are cumulative. A subsequent violation of any part of the Code will progress a student to the next disciplinary level (offense).

**Citizenship** – Any behavior that results in dishonor to the participant, her or his team/organization, or her or his school will not be tolerated.
